

Technical Data Sheet

Sun Cape

Protects from UltraViolet UPF 50+, blocks 98% of UV radiation. Using the Coolskyn fabric, developed specifically to keep the wearer dry, cool and comfortable in all working conditions and climates, including anti static properties. Tough and durable, it delivers constant retention of colour and shape and is colourfast to saltwater, sun and chlorine and fights abrasion.

Sun Cape

Specification

Colours:	High Visibility Yellow (HVY) and High Visibility Orange (HVO)
Size:	
Accessories:	Fits to all Centurion Safety helmets
Weight:
